

ENERGY

CAN PG&E'S TRADE PRO PROGRAM HELP EXPAND YOUR BUSINESS?

Fresno Energy Watch and the Fresno County Economic Development Corporation (EDC) are pleased to announce an opportunity for local trade professionals to learn about the advantages of enrolling in the Trade Professional Alliance from Pacific Gas & Electric Company (PG&E).

ONE-HOUR WORKSHOP

This **one-hour workshop** gives you the opportunity to hear from the Trade Professional Manager for the program in our region, ask questions, and start the process of enrolling in the program. Incentives education, online processing, and program support make your products and services easier to present and sell to your customers.
